

CONSENT FOR TREATMENT OF MINORS

Rybacki Physical Therapy, requires that a parent or legal guardian accompany any minor children (under 18 years of age) to their medical appointments. In the event that a parent or legal guardian is unable to accompany a minor child to a medical appointment, the parent or legal guardian must sign this Consent for Treatment of Minors to be kept on file at Rybacki Physical Therapy and must also send a copy of a parent's photo ID (preferably a driver's license, however could be a utility bill showing proof of patient's home address). If we do not have written consent to treat at the time of the patient's first visit, we will attempt to call for verbal consent. If we are unable to reach a parent or guardian, we will not be able to initiate treatment.
